

Current Log Cabin

Handicap load/unload pad should be used for only one car that is parked on left or right so the handicap person can exit and enter on the concrete pad. If more that one handicap person arrives someone should valet park all the cars carrying handicap people except the last to arrive.

Log Cabin setup for an Old Milton High School Class Reunion or a family reunion. This is six 6' tables with 8 chairs each plus two 8' tables for food service.

Movie being filmed in Log Cabin
(using some of the 70 feet of half log benches)
